Personal Questions

Please describe your salvation experience:

Are you 18yrs or older? Yes _____ No _____

How important is access to showers while camping? Check one.

- I will not go if I cannot shower consistently.
- A shower would be nice but I can go a few days without.
- Who needs a shower, there's a river right here?

Do you have the necessary equipment for this trip? Yes No

Do you have any food allergies? Yes No

If yes, please explain: _____

Are you interested in fly-fishing? Yes No

How often do you fly-fish? _____

How long have you been fly fishing? _____

Can you play the guitar or lead worship? Yes No

Physical Abilities

Some of the events you will experience with ECA are physically and mentally challenging. You should be exercising regularly and in good shape in order to participate (this is not a couch-to-trail activity). We ask these questions to give us a feel if this trip is best for you. If you have any questions or health concerns, please consult a physician.

How often do you go backcountry hiking & camping? _____

When was the last time you went on a difficult 6 mile hike? _____

How often do you exercise? _____

Are you capable of running a 5k today? Yes No

Are you physically capable of hiking 5-10 miles of rugged terrain (1,000ft elevation change) with a 30lb pack? Yes No

If no, or you have concerns, please explain: _____

How did you hear of ECA? _____
